

## Product Specification Sheet

### Mid-America Vinyl Shutters Style P6 Raised Panel Shutters

This guide is intended to help answer any questions about specific dimensions of the exterior decorative shutters you will receive. Please note that the vinyl window shutter manufacturing process is not exact. All sizes are nominal and may vary slightly from one shutter color to the next.

If you are installing your exterior vinyl shutters in a cavity or next to an obstruction and you require an exact shutter width, we recommend that you call us for an exact width measurement before ordering the custom window shutters, as sometimes the actual outdoor shutter width is slightly wider than what is specified.

#### Stiles

Shutter Width	Stile Width
9 1/4", 12", 14 1/2", 16 1/2"	2"
18"	2 3/4"
